

Arjes VZ 850 DK â?? 2018 â?? 9,982 Hours

Description

The **Arjes VZ 850 DK** is a powerful twin shaft shredder built for demanding shredding applications, ideal for waste, wood, and bulky materials. With a robust setup and strong processing capability, this machine is a solid choice for recycling yards, waste processing sites, and material reduction operations where reliability and performance are essential.

This 2018 machine has 9,982 hours, which is good for its age, and has recently benefited from major investment, including new gearboxes and motors fitted in July 2025. It comes with remote control for flexible operation and includes spare shafts (requiring refurbishment). Located in the UK.
