

# Arjes VZ 950 DK Titan â?? 2019 â?? 4,615 Hours

## Description

The **Arjes VZ 950 DK** is a high-performance slow-speed shredder built for heavy-duty applications. Designed for maximum efficiency in waste processing, this twin-shaft shredder is ideal for reducing bulky materials, metal scrap, wood waste, and more.

## Key Features:

â?? **Year:** 2019
â?? **Hours:** 4,615
â?? **Shredding System:** Twin-shaft with interchangeable tools
â?? **Engine:** Volvo Penta, 768 HP (566 kW)
â?? **Mobility:** Tracked chassis for easy on-site movement
â?? **Discharge Conveyor:** Adjustable conveyor for efficient material flow
â?? **Metal Separation:** Overband magnet for ferrous removal

## Applications:

â?? **Construction & Demolition Waste** â?? Breaks down concrete, wood, and mixed debris
â?? **Metal Scrap & Car Bodies** â?? Processes light metal scrap, aluminum, and white goods
â?? **Wood Waste & Biomass** â?? Ideal for green waste, pallets, and forestry residues
â?? **Household & Commercial Waste** â?? Handles plastics, residual waste, paper, and cardboard
â?? **Tires & Rubber** â?? Effectively shreds used tires and rubber materials
